

The Andrew

4 Bedrooms ♦ 4 Baths ♦ 3408 Square feet ♦ Huge 16 x 22 great room with central stone fireplace ♦ Breakfast nook opens out to generous 38 x 14 deck ♦ Lower level features game room with a wet bar and space for a pool table, TV area, and additional game tables

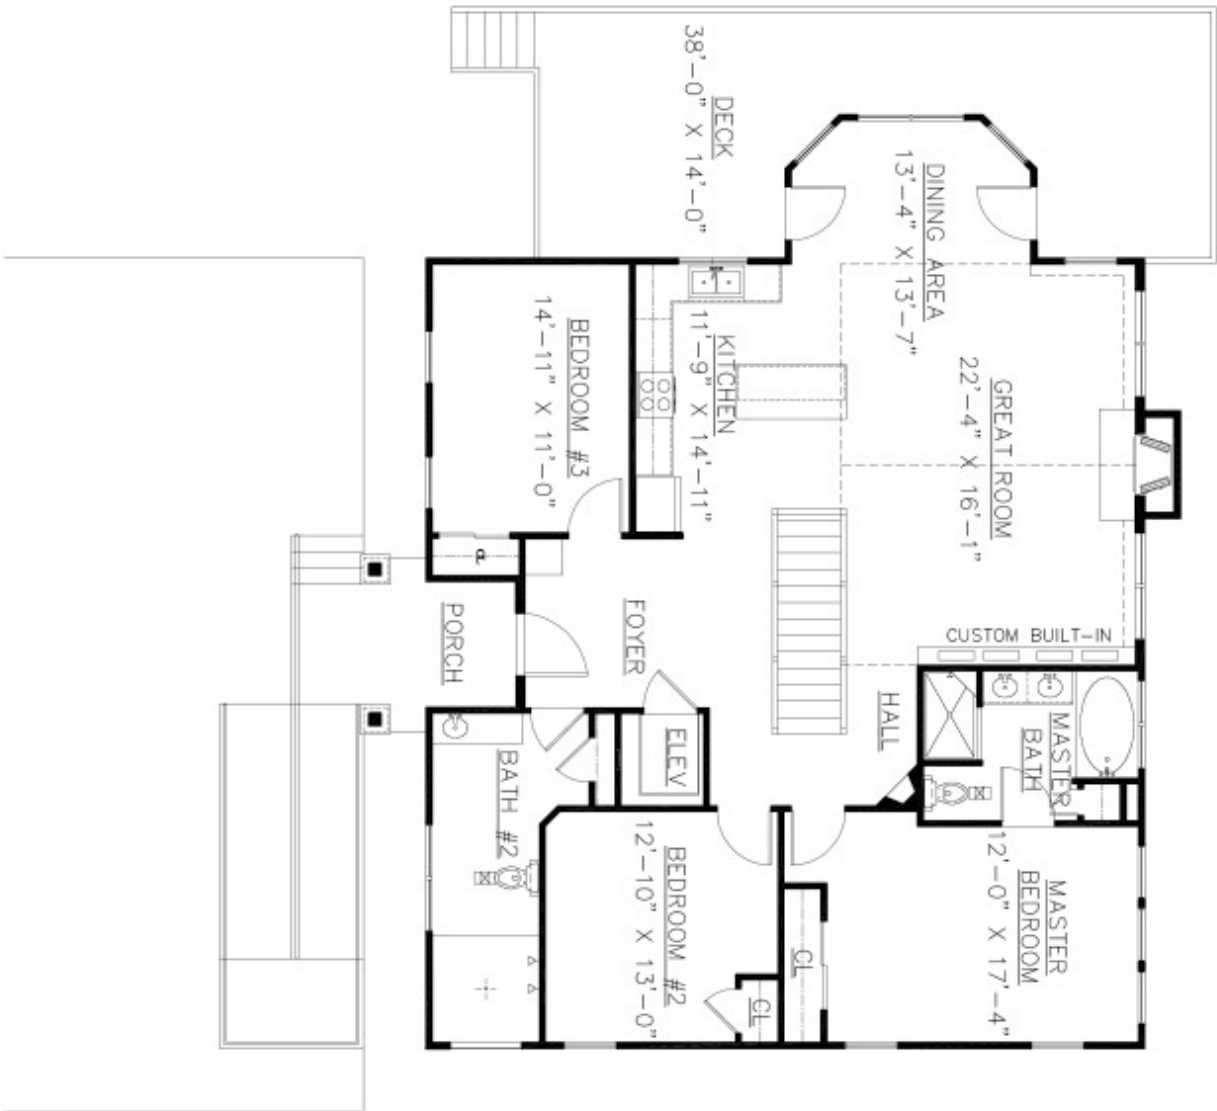

Wow! What an awesome home in the country. Huge windows and cozy fireplace highlight the great room in this home. An open floor plan leads you to a breakfast nook, which opens out onto a generous-sized deck overlooking the private, wooded lot. An elevator or stairs take you down to the lower level, which boasts a cavernous game room complete with a wet bar and space for a pool table, a TV area, and other game tables. With 4 bedrooms and 4 baths, everyone will have plenty of room to spread out and relax.
