

The Beth

3 Bedroom ♦ 2 ½ Bath ♦ Two-story ♦ Open floor plan ♦ Generous kitchen with pantry ♦ 1740 SF

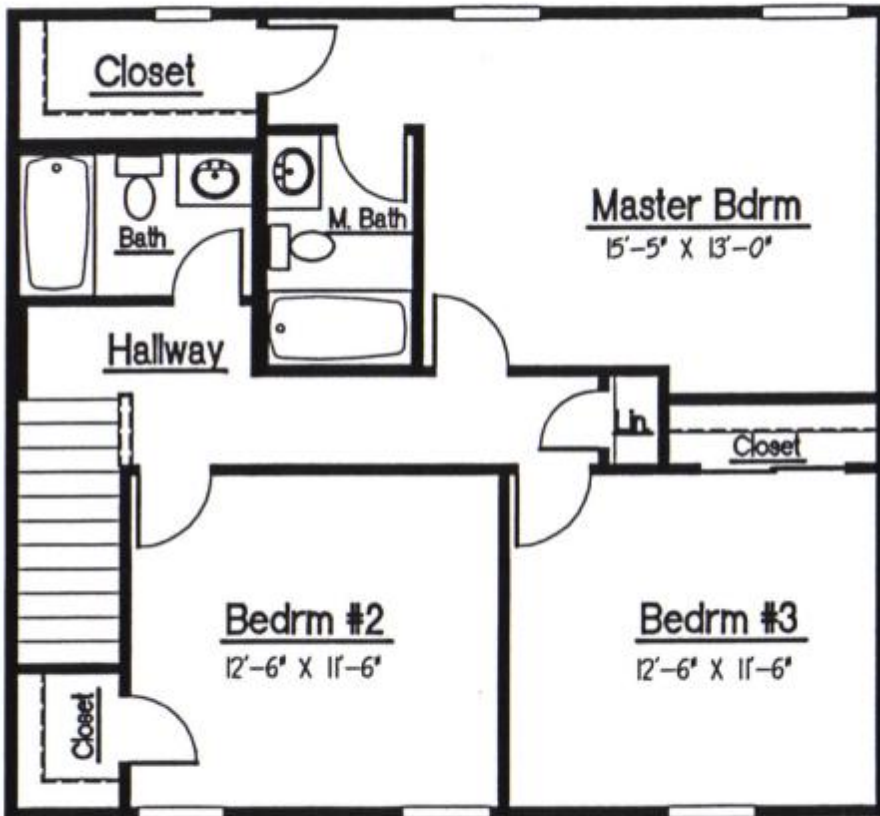

A simple yet sophisticated design....that's what the Beth is all about. Inviting double doors lead you into a generously sized great room, which flows into the dining room & kitchen. The kitchen features a bevy of modern appliances built into an efficient L-shape; a pantry off to the side offers even more storage. A combination half bath/mudroom/utility room opens off the kitchen. Upstairs, a master bedroom has it own master bath & walk-in closet. Two additional bedrooms share a second bathroom. Add your own personal touches to this plan and make it your own!
