

The Brooklyn

3 Bedroom ♦ 2½ Bath ♦ Open floor plan with generous-sized great room featuring wall of windows ♦ Huge 16x17 master suite with private bath & walk-in closet ♦ 1842 SF

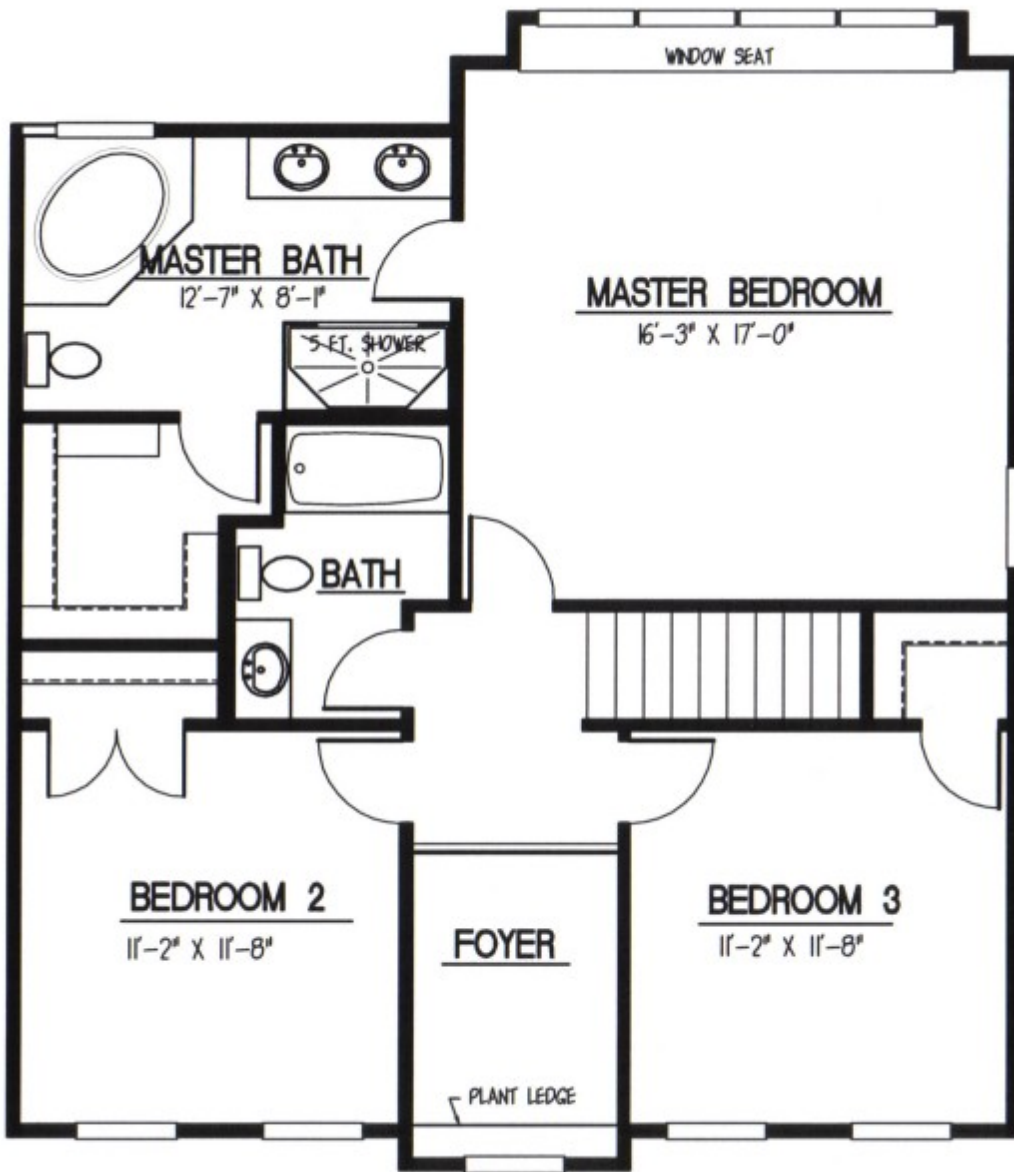

The Brooklyn features an open floor plan with a generous-sized great room; tons of natural light spill in from the wall of windows. The great room flows into a cozy breakfast nook with a bay window; the kitchen is graced with sleek & modern stainless-steel appliances. There is also a first-floor den/home office. Upstairs, a 16x17 master bedroom, with its own wall of windows and a window seat, adjoins a private master bath with both a garden tub and 5-foot shower; a private walk-in closet completes the master suite. Two other bedrooms share a second luxurious bathroom. Add your own personal touches to this plan and make it your own!
