

The Emma

3 Bedroom ♦ 2½ Bath ♦ Open floor plan with generous-sized 2-story great room featuring wall of windows ♦ 12x22 master bedroom with private bath & walk-in closet ♦ 2034 SF

Wow! Look at that great room! A towering 2-story wall of windows flanking a fireplace graces this stunning central room. The open floor plan features a cozy breakfast nook and a kitchen with sleek stainless-steel appliances. There's also a first-floor den/home office. Upstairs, an enormous 12x22 master bedroom connects to a private luxurious master bath with a whirlpool tub and huge shower; a walk-in closet completes the master suite. Two other bedrooms--each with a large closet--share another generous-sized bathroom. Add your own personal touches to this plan and make it your own!
