

The McKenzie

4 Bedroom ♦ 2½ Bath ♦ Huge 2-story family room with wall of windows and fireplace ♦ Open floor plan with unique angled staircase ♦ Enormous master suite with private bath featuring whirlpool tub, separate shower and two walk-in closets ♦ 2648 SF

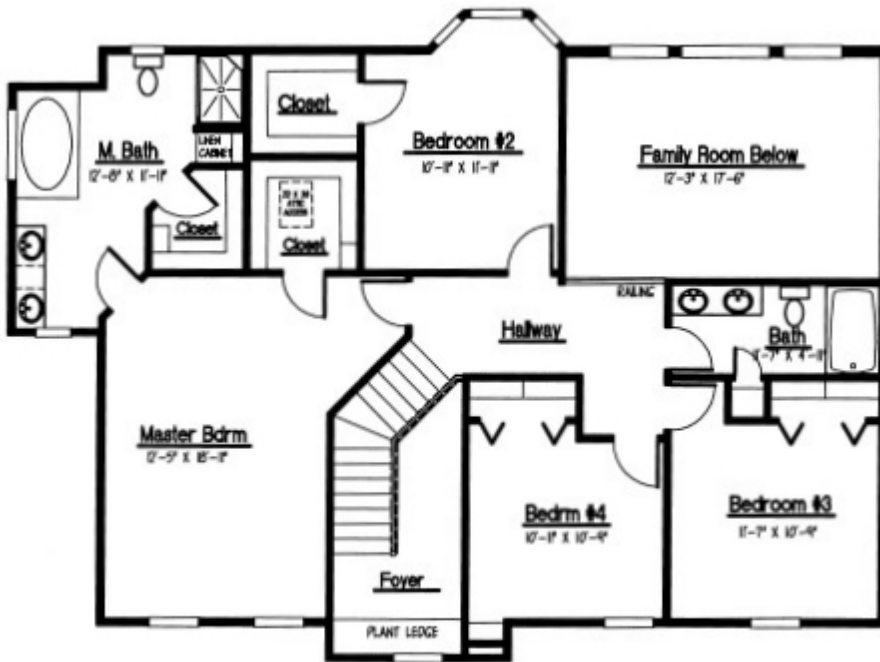

You'll want to spend all your time in the McKenzie's great room. An enormous wall of windows lets tons of natural light in, and a fireplace keeps it cozy on cold winter nights. Great for entertaining, the McKenzie features a family room, a formal living room and a formal dining room--and they all flow easily into each other thanks to the open floor plan. Upstairs, the master suite boasts a private master bath with whirlpool tub, separate shower and his and hers vanity; there are two walk-in closets! Three other bedrooms share a second luxurious bath. Add your own personal touches to this plan and make it your own!
