

The Meghan

1680 SF ♦ 3 Bedrooms ♦ 2 1/2 Baths ♦ Ranch

The Meghan is the perfect country home. As you walk through the entry, the dramatic corner fireplace catches your eye. The spacious great room opens up to a uniquely designed kitchen with a window seat. The open floor plan is great for entertaining. The master suite is separated from the other bedrooms, ensuring privacy for everyone. Add your own personal touches to this plan and make it your own!
